SUNDAY SCHOOL REGISTRATION (2009-2010)

A separate form is needed for each child. Please return to the collection box in the narthex by Aug. 10. Thank you!

1. PROGRAM OVERVIEW:

PRESCHOOL: Age 2 through Kindergarten follow a traditional classroom format and use Cokesbury's *Exploring Faith* curriculum.

QUEST: Grades 1-5 follow a "workshop-rotation" format, in which lessons are taught in 5-week rotations to grade-level classes. During each rotation, classes visit a different workshop weekly, learning the same lesson from different sensory perspectives, such as Cooking, Drama, Art, Computer, Video, Music, Science, and Games. Teachers teach the same lesson for the entire rotation; Shepherds lead their grade-level classes to a new workshop weekly during each rotation.
